

Contest Rules

- An artist may submit only one design.
- The design may be drawn, painted, or digitally-designed, and must be the artist's original work. Designs generated wholly or in part by artificial intelligence (AI) tools are not eligible.
- Remember to make it colorful!
- Layout is about 4x4 inches, and will be reduced to 2x2 inches to fit the front of our standard library card (credit card and key ring card size).

Contest Criteria

Artwork will be judged on the following criteria:

- **Theme:** We are celebrating the 100th Birthday of KPL! The design should feature some aspect of the library.
- **Creativity:** Have fun! The library has been part of the Kirkwood community for 100 years. Let's celebrate what makes it special.
- **Clarity:** Keep in mind that the design must work well in a small format. Simple, bold designs often translate best.
- **Eligibility:** This contest is open to all ages!

How to Submit

• Paper Entries

- This form must accompany all paper entries. You may depict your design in the space provided or on another sheet of paper.
